+ Profile

As a seasoned software engineer with a track record of success in leading technical roles, I thrive in dynamic environments where I can leverage my expertise across the full tech stack. Proficient in HTML, CSS, JavaScript, React.js, Next.js, GitHub, and AWS, etc., I possess a deep understanding of both front-end and back-end technologies, allowing me to design and implement scalable, efficient systems. My journey in tech began with a coding bootcamp, where I honed my skills in web development. It was during my tenure at an early-stage startup that I discovered a passion for IT and cloud engineering, particularly excelling in AWS cloud infrastructure. I am excited to apply my diverse skill set and commitment to ongoing growth to drive innovation in the tech sector.

+ Work Experience

📅 12/2021 – 08/2024 📍 DENVER, US

Founding Software Engineer Glowstik inc.

- Integrated complex designs into the React.js/Next.js framework, ensuring seamless and responsive user interfaces.
- Developed a custom QR code generator with an algorithm that dynamically creates QR codes based on user-inputted URLs.
- Collaborated closely with the head of engineering to learn and apply AWS services, contributing to DevOps, security and compliance, and SysOps initiatives.
- Implemented an efficient static asset's strategy by configuring Amazon CloudFront to cache and deliver assets from global edge locations, optimizing load times and performance.
- Shadowed and was mentored by the CEO, gaining insights into strategic decision-making and startup growth.

+ Skills

📌 SOFT SKILLS

Problem-solving	Professional
Team collaboration	Professional
Agile development	Professional
Diligence	Professional

📌 HARD SKILLS

Web Development	Professional
AWS	Professional
Git & GitHub	Professional
CI/CD	Professional
JavaScript Frameworks	Professional

+ Strengths

Problem-solving,

Analytical thinking,

Strong programming skills,

Attention to detail,

Team collaboration,

Ability to learn

+ Education

📅 01/2020 – 06/2021 📍 DENVER, US

Software Engineering | Certificate of Education Flatiron School

Rigorous coding bootcamp where I learned the fundamentals of web development languages. Such as HTML, CSS, JavaScript, ReactJS, etc.

+ Certificates

📅 08/2024

AWS Certified Cloud Practitioner Amazon Web Services Training and Certification

https://www.credly.com/badges/b0cae331-62a6-4e80-8cf6-a62d5e2cf9a4/public_url

Proficient in cloud computing fundamentals and AWS services, with a strong foundation in designing and deploying cloud-based solutions.
